DEPARTMENT OF HEAVY INDUSTRY
GROWTH STRATEGY

3-Wheelers growth drivers:

1. Rapid development of infrastructure and focus of both Central as well as State Govt. on infrastructure mainly on roads, the demand of 3-Wheeler may see an upward trend in the coming years. The demand drivers for 3-wheelers are its affordability as an economical viable transport solution. However, the demand for 3-wheeler passenger carrier depends on the availability of permits issued by local RTO’s.

2. Increased demand from semi urban & rural areas for 3 wheelers because of its high product maneuverability and drivability.

3. Suitability of 3 wheelers for congested Indian roads and tropical conditions.

4. Self-employment opportunity for a large no of youths especially with the Govt. focus on various schemes for the unemployed youths.

5. 3 Wheelers of smaller capacity are in great demand in load carrier segment because of increase in organizing retail marketing across the country which requires faster and economical transportation.

6. 3-Wheeler is low cost transport solution for daily commuting passenger. Hence the market for 3 wheelers would continue to be there because of higher cost of transportation in other mode of transport like taxi, contract carriages, buses etc.

Efforts being undertaken to increase sales:

1. To increase the nos. of dealers in non-represented areas and potential areas and where competitors are active.

2. To arrange more attractive finance scheme with tie-up with banks/NBFC.

3. Increasing promotional activities to promote sales and thereby increasing brand/product awareness.

Related Business areas where the company can diversify to increase revenues:

1. It will be beneficial to the company to supply in-house fully body built vehicles instead of Drive Away Chassis (DAC) to maximize the contribution and also to ensure better quality and uniformity in shape.

2. It will also be beneficial for the company to introduce e-rikshaw with better safety feature and also introduce 4-Wheeler load carrier like TATA Ace etc.

The Government of India acting through Department of Investment & Public Asset Management (DIPAM) has engaged Resurgent India Limited as Transaction Advisor for providing advisory services and managing the disinvestment process.

Board of directors of SIL in its meeting held on 26.02.2018 has accorded its consent to hive off non-Core land of 89.69 acres out of total land of 147.499 acres subject to approval of Shareholders and other regulatory authorities as applicable. The hived off land shall not be part of the strategic disinvestment. Further, as per policy of UPSIDC transfer levy charges are applicable in case of change in management control of SIL. Since The strategic disinvestment will involve change in management control, it shall be subject to payment of stipulated transfer levy to UPSIDC.

The process for the Transaction has been divided into two stages, namely, Stage I and Stage II.

Stage I:

Through this invitation of EoI, the Transaction Advisor is providing the interested parties ("IP's") with instructions for submitting their EoIs to the Transaction Advisor, which would be used for prequalifying the IPs in accordance with Eligibility Criteria and Disqualification conditions detailed in this invitation of EoI. Only those IPs who prequalify in accordance with Eligibility Criteria and Disqualification conditions contained therein shall be allowed to participate in stage II subject to IP execution of a Non-Disclosure Undertaking ("NDU").

Stage II:

Based on an evaluation of the EoIs submitted, IPs, if shortlisted, subject to execution of an NDU (in the format enclosed in Annexure 4), will be provided with request for proposal ("RFP"), a confidential information memorandum ("CIM") and access to data room, which shall provide further details of SIL and the Transaction in terms of the RFP. Thereafter, financial bids submitted by the shortlisted IPs as per the terms of the RFP shall be opened and the IP quoting the highest offer ("H1 Bidder") shall be the strategic buyer. The IP shall be required to deposit earnest money at Stage-II, if required by GoI. The format, requisite earnest money deposit ("EMD") and other formalities related to the RFP will be communicated in due-course.

The H1 Bidder, shall be subject to security clearance. In case of such IP being disqualified in the security clearance process, H2 bidder shall be given the opportunity to match the offer of H1 Bidder. In case H2 Bidder is not willing to match the offer of H1 Bidder then the successive bidders H3, H4, etc. will be asked to match the offer of H1 Bidder subject to security clearance of each such bidder given the opportunity to match the offer of H1 Bidder.

11. The Government reserves the right, in its sole discretion, to reject any and all proposals made by the Receiving Party with regard to the Transaction and to terminate discussions and negotiations with the Receiving Party at any time. Without limiting the preceding sentence, nothing in this Undertaking (i) requires either the IP or the Government to enter into the Transaction or to negotiate such Transaction for any specified period of time or (ii) requires the Advisors, the Government or SIL to enter into an agreement or an understanding, or prohibits the Advisors, the Government or SIL from entering into any agreement or understanding, for proceeding with the Transaction with any other Person.

12. For a period of 1 (one) year from the date of this Undertaking or till the completion of the Transaction, whichever is later, the Receiving Party shall not, directly or indirectly, solicit for employment or hire any employee of SIL.

13. The IP understands, acknowledges and agrees that the Government, the Advisors and SIL retain the right to determine, in their sole discretion, the information that they wish to make available to the Receiving Party and the personnel through whom the same will be made available. Further, nothing in this Undertaking shall amount to or be construed as the Disclosing Party making any representations or warranties, express or implied, as to the accuracy and/or completeness of the Confidential Information and the Disclosing Party shall have no liability whatsoever to the Receiving Party resulting from the IP’s use of the Confidential Information. The IP also agrees that if it determines to proceed with the Transaction, its determination will be solely based on the terms of the definitive agreements as well as on its own investigation, analysis and assessment of its investment. Moreover, unless and until such agreements are entered into, neither the
Government nor the IP will be under any legal obligation of any kind with respect to the Transaction except for the matters specifically agreed to in this Undertaking or in another written and duly executed definitive agreement.

14. The IP hereby indemnifies and agrees to hold the Advisors, the Government and SIL indemnified and harmless from all and any damages, losses, costs, or liabilities (including legal fees and the cost of enforcing this indemnity) arising out of or resulting from any unauthorized use or disclosure by any Receiving Party of the Confidential Information or other violation of this Undertaking (notwithstanding that a Receiving Party may not be party to this Undertaking) or of any similar undertaking or agreement. In addition, because an award of money damages (whether pursuant to the foregoing sentence or otherwise) would be inadequate for any breach of this Undertaking or any similar undertaking or agreement by the Receiving Party and any such breach would cause the Disclosing Party irreparable harm, the IP also agrees that, in the event of any breach or threatened breach of this Undertaking or such similar undertaking or agreement, the Advisors, the Government or SIL will also be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance. Such remedies will not be the exclusive remedies for any breach of this Undertaking but will be in addition to all other remedies available at law or equity to the Advisors, the Government and/or SIL.

15. The IP understands, acknowledges, confirms and agrees that each of the Government, SIL and the Advisors are beneficiaries under this Undertaking. The IP further agrees and confirms that each of the Government, SIL and the Advisors, will be entitled to and may enforce, either individually or jointly, the obligations imposed on the Receiving Party under this Undertaking.

16. The IP agrees that no failure or delay by the Advisors/the Government / SIL in exercising any right, power or privilege hereunder will operate as a waiver thereof nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege hereto.

17. The terms of this Undertaking may be varied only with SIL’s and the Government’s prior written agreement. This Undertaking shall be effective as of the date first above given on the first page of this Undertaking.

18. This Undertaking shall be governed by and construed in accordance with the substantive laws of India without giving effect to its conflict of law principles.

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

(a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. ‘Grave offence’ is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government. ‘Grave Offence’ would include the below noted cases:

   a. Only those orders of SEBI are to be treated as coming under the category of ‘Grave Offences’ which directly relate to ‘Fraud’ as defined in the SEBI Act and / or regulations.
   b. Only those orders of SEBI that cast a doubt on the ability of the bidder to manage the public-sector unit, when it is disinvested, are to be treated as adverse.
   c. Any conviction by Court of Law.
   d. In cases in which SEBI also passes a prosecution order, disqualification of the bidder should arise only on conviction by the Court of Law.

(b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or its Associate Company as defined in Companies Act, 2013 would result in disqualification. The decision in
regard to the relationship between the concerns, would be taken based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/persons.

(c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

(d) Any bidder, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

(e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.

(f) Before disqualifying a concern, a Show Cause Notice as to why it should not be disqualified, would be issued to it and it would be given an opportunity to explain its position.

(g) These criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority, which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above or the eligibility criteria prescribed in the EOI, is pending against them. In case any investigation is pending in case which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above or the eligibility criteria prescribed in the EOI against the bidder or the concern in which the bidder has substantial interest or against its CEO or any of its Directors/Managers, full details of such investigation including the name of the investigating agency, the charge/offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be filed along with EOI.

Government of India
Ministry of Disinvestment

OFFICE MEMORANDUM

Subject: – Guidelines for management-employee bids in strategic sales

1. Employee participation and protection of employee interests is a key concern of the disinvestment process. The practice of reserving a portion of the equity to be disinvested for allocation to employees, at concessional prices, has been adopted in a number of cases. It is necessary and expedient to evolve and lay down guidelines to encourage and facilitate management-employee participation in strategic sales and thus to acquire controlling stakes and manage disinvested public-sector undertakings. The undersigned is directed to state that Government has, therefore, decided to lay down the following guidelines for evaluating employee/management bids: -

(i) The term ‘employee’ will include all permanent employees of a PSU and the whole-time director on the board of the PSU. A bid submitted by employee or a body of employee will be called an “employee bid”.

(ii) At least 15% of the total number of the employees in a PSU or 200 employees, whichever is lower, should participate in the bid.

(iii) An employee bid would be exempted from any minimum turnover criterion but will be required to qualify in terms of the prescribed net worth criterion. They will be required to follow the procedures prescribed for participation by Interested Parties in the process of strategic sales including, but not limited to, filling the expression of the interest along with all details, as applicable to other investors, furnishing of bank guarantee for payment of the purchase price etc.

(iv) Employees can either bid directly and independently or, for the purpose of meeting the financial criteria the like net worth, can form a consortium or bid through a joint venture (JV) or a special purpose vehicle (SPV), along with a bank, venture capitalist or a financial institution. However, employees will not be permitted to form consortia with other companies.

(v) If the bidding entity of the employees is a consortium, JV or SPV, employees must have a controlling stake and be in control of the bidding entity.

(vi) If the bid is submitted through a consortium, JV or SPV, employees must contribute at least 10% of the financial bid.

(vii) If the employees form a consortium, the consortium partners would be prohibited from submitting individual’s bids independently.

(viii) If it is not highest bid, the employee bid shall be considered only if the said bid is within 10% of the highest bid.
(ix) The employee bid shall, subject bid fulfilling the conditions above, have the first option for acquiring the shares under offer provided they match the highest bid being equal to or more than the reserve price.

(x) If the employee bid is not the highest bid and there are more than one employee bids within the 10% band, the highest of the employee bids will have precedence for purchase at the highest bid. If such employee bidder is unwilling or unable to match the highest bid, the option will pass on to the next highest employee bid and so on till all the employee bids, within the 10% band, are exhausted.

(xi) In the event of no employee bidder, within the 10% band, being willing or able to match the highest bid, the shares under offer will be sold to the highest bidding entity.

(xii) There will be a lock in period of three years for the shares disinvestment by the Government.

2. All the bidders for the management-employee buy-outs will also have to satisfy the provisions of the ‘Guidelines for qualification of bidders seeking to acquire stakes in Public sector Enterprise through the process of disinvestment’ issued vide the then Department of Disinvestment’s Office Memorandum No. 3/9/2016-DD-II-B Dated: 28th September, 2017 or as amended subsequently along with other qualification criterion as generally applicable and not specifically excluded herein.
